

Ideation Phase

Define the Problem Statements

Date	18 OCTOBER 2023
Team ID	NM2023TMID04477
Project Name	How to add Google Analytics to a website

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Business Owners: These are individuals or entities who own or manage businesses of various sizes, including small local businesses, restaurants, retail shops, service providers, and more.
Im trying to	Effective Online Presence: Establish and maintain an accurate and engaging online presence for their business
but	Inaccurate Information: Inaccurate or outdated business information can lead to customer confusion and lost opportunities.
because	Data Accuracy Issues: Inaccurate or outdated business information may arise from the platform's reliance on user-generated data, which can be subject to human error or changes that occur without the business owner's knowledge.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	An manager	Predict the hotel income data accurately that has happended in a day	The data has not identified clearly	The data given and taken should be accurate and correct	This unpredicted income data makes the user an frustrated
